

Assembly Instructions

Thank you for purchasing the Brianna Beam. We hope you will enjoy years of use of this product. After opening the boxes, please check the parts list to make sure all pieces have arrived in good order. If you have any questions during this assembly process, please call customer service at 44 (0)2921 167 949.

Brianna Beam

Note: Enclosed is a small vinyl sheet that will Velcro to the bottom of the beam legs. This will eliminate the full amount of Velcro, on the legs, from damaging to your carpet.

No tools needed!

Available in Purple, Pink or Royal Blue

WARNING

- Serious injury (including permanent paralysis or death) could result from any activity involving motion, rotation or height.
- All users of this equipment assume this risk of serious injury.
- Mats and pits cannot and do not eliminate hazards.

If you purchased two or more Brianna Beams you can connect them together!

Find the wooden peg that was included with your shipment and open the Velcro flaps at the end of both beams to expose the holes

Place the peg in the hole of one beam

Slide the two beams together

Secure the Velcro straps on the sides of the beam

Safety Instructions

ALWAYS:

1. Consult an instructor prior to use.
2. Use equipment **ONLY** under the supervision of trained and qualified instructors.
3. Use equipment with trained spotters and the proper spotting equipment.
4. Check equipment before use for proper positioning; equipment can move during use.
5. Follow a progressive learning pattern. Assure basic skills are achieved before attempting more advanced skills.
6. Use equipment **ONLY** when all hard exposed surfaces are protected with proper mats.
7. Assure that all inflatable equipment has sufficient air pressure to avoid injury.

DO NOT use the apparatus with damaged, worn or missing parts.

DO NOT allow more than one person at a time to use the equipment.
