

ATTENTION!

To ensure the safety of athletes, please follow instructions on how to properly attach Tumbl Trak Pads. **Failure to correctly attach the Pads will void all warranty on this product** and the **buyer could be held liable for any injuries** that may occur as a result of improper assembly.

Please refer to the link below which specifically demonstrates how to assemble your Tumbl Trak, including how to properly attach the black loop Velcro and Safety Pads. You will find the video demonstration in the **documentation section** of the Tumbl Trak webpage.

**Note the red Velcro strips along the Tumbl Trak Bed are for Velcro accessories and not to attach Tumbl Trak Pads*
